EDUCATION

Pre-College Gap Year

2026 – 2027

Independent Research, Mathematics & Financial Literacy

New Delhi, India

- Preparing for undergraduate study in Mathematics and Economics
- Continuing research and leadership roles across applied mathematics, financial misinformation, and financial literacy

Delhi Public School, R.K. Puram

New Delhi, India

Senior Secondary (CBSE), Class of 2026

Apr 2022 – May 2026

- Relevant Coursework: Physics, Chemistry, Mathematics, Economics, and English
- President Student Council of one of India's most competitive schools, leading over 9,500+ students

Selective Academic Programmes & Fellowships

Lodha Genius Programme – Pure Mathematics

May – Jun 2025

Ashoka University, Sonipat

~3.2% acceptance, fully funded & residential

- Completed university-level coursework in Number Theory, Group Theory, Linear Algebra, and Geometry
- Attended the invitation-only Great Ideas Seminars alongside Nobel laureates Sir Paul Nurse (Physiology, 2001) and Prof. Brian Schmidt (Physics, 2011), and AMS Steele Prize winner Prof. Haruzo Hida (UCLA)

HKBU Summer School: ESG & Culture in Marketing

Jun 2025

Hong Kong Baptist University

Hong Kong

- Studied under Prof. Barry Hung, Department of Management, Marketing and Information Systems

Shadow the Scientists Programme

Aug – Nov 2025

University of California, Santa Cruz

Remote

- Selected for a competitive programme pairing students with active UCSC researchers, under Dr. K. Vijay Raghavan (former Principal Scientific Adviser to the Government of India) and Prof. Raja GuhaThakurta (Distinguished Professor of Astronomy and Astrophysics, UCSC)

Other Fellowships

- **buildspace, s3 Cohort** – selected from 32,000+ applicants worldwide, May – Sep 2024
- **Eureka! Juniors, E-Cell IIT Bombay** – developed and pitched FinKid, 2024
- **LaunchX, MIT** – admitted to the main entrepreneurship programme, 2025
- **The Knowledge Society (TKS)** – admitted to the global innovation programme, 2025

EXPERIENCE

Founder & President

Feb 2024 – Present

Edunomix Institute, India Chapter

New Delhi, India

- Founded and lead the first South Asia chapter of the Edunomix Institute, a US 501(c)(3) nonprofit for financial and economic education
- Ran a nationwide essay competition spanning 19 states and 54 schools, judged by scholars from Harvard, UC Berkeley, Cornell, and Warwick
- Delivered economics and financial literacy instruction to displaced Ukrainian students through the Ukraine Speaks English seminar series with Learn and Teach UA
- Write long-form research articles on economics and public policy, covering the Union Budget, the Open Network for Digital Commerce, and sustainable finance

Chief Financial Officer

Jun 2024 – Present

TaxCity Education

New Delhi, India

- Lead finance and grants for a government-recognized financial literacy initiative that has reached 79,000+ students across 27 countries through a tax-education card game
- Secured over \$120,000 in grant funding and contributed to more than INR 550,000 in programme revenue
- Manage a team of finance interns and oversee budgeting, financial planning, and fundraising strategy
- Received Letters of Recommendation from Members of Parliament for programme impact

Policy Intern

Jun 2025

Office of the Director, Ministry of Education, Government of India

New Delhi, India

- Contributed to internal policy analysis on the Samagra Shiksha Scheme under the Director's office
- Reviewed financial architecture and budget allocation tied to the National Education Policy 2020

Undergraduate Teaching Assistant

May 2026 – Jun 2026

Lodha Genius Programme, Ashoka University

Sonipat, India

- Selected as a pre-undergraduate exception to teach at the residential, undergraduate-level programme
- Taught four courses over four weeks: Mathematics of Investing, Rubik's Cube and Group Theory, Basic but Essential Mechanics, and Origami and Advanced Geometry
- Received a competitive stipend for teaching contributions

Research Apprentice, Number Theory

May 2026 – Jul 2026

Lodha Genius, Ashoka University Programme

Sonipat, India

- INR 10,000 research stipend
- Conducted original research in algebraic number theory under Professor Shanta Laishram, Head of the Theoretical Statistics and Mathematics Unit at the Indian Statistical Institute, Delhi
- Worked alongside faculty from IIT Delhi, CMI, ISI Kolkata, and ISI Delhi

MEDIA & PUBLIC ENGAGEMENT

Founder & Host, Decoded

Dec 2024 – Present

Independent podcast on economics and technology

New Delhi, India

- Host long-form interviews with economists, technologists, and policymakers on economics, AI, and public policy
- Named a 2025 Marathon Show, a 2025 Instant Hit Show, and a 2025 Most Shared Show in Spotify's Wrapped for Creators; surpassed 300 listening hours on Spotify, produced without external sponsorship
- Press Coverage: The Times of India, The Economic Times, and Dainik Bhaskar
- LinkedIn: 7,000+ followers for writing and commentary on economics and policy

RESEARCH & PUBLICATIONS

Financial Misinformation on Indian Social Media: Multilingual Detection and the Traits That Predict Sharing

Indian School of Business

2026 – Present

- Studying the spread of financial misinformation across Indian social media under Professor Hemant Kakkar, using MuRIL and XLM-RoBERTa to handle code-mixed Hindi-English text
- Pairing detection models with the BFI-2-XS personality inventory and the Fear of Missing Out scale to identify which individual traits predict sharing behavior

The Two Faces of Progress: A Look at the Socio-Economic Challenges and Opportunities Presented by Artificial Intelligence

University of Pennsylvania

2025

- Conducted peer-reviewed research on AI policy and existential risk under Professor Surbhi Goel
- Published in IJRASET, Vol. 13, Issue 7, and presented at the NYC STEM Research Conference as the only high school student selected to present

Energy Infrastructure Research

New York Academy of Sciences, Junior Academy

2025 – 2026

- Selected into the Junior Academy at a roughly 10% acceptance rate, joining an international cohort spanning 100+ countries
- Developed policy and engineering solutions for the Fall 2025 Energy Infrastructure Challenge under Dr. Nandhini Sivakumar, Motor Neuron Center, Columbia University

LEADERSHIP & VOLUNTEERING

President, Student Council

Delhi Public School, R.K. Puram

Since Jul 2025

9,500+ students

- Elected after a seven-stage selection process of applications, interviews, and faculty recommendations
- Sworn into office by Shri V.K. Shunghu, ninth Comptroller and Auditor General of India and Vice Chairman of the Delhi Public School Society
- Represent the student body and coordinate between students, faculty, and school leadership; oversee student-led committees

Captain, U-19 Football Team

Delhi Public School, R.K. Puram

Jul 2025 – May 2026

New Delhi, India

- Led training, match preparation, and on-field strategy
- Won the Delhi District Championship twice; represented the district at the Delhi State Championship

Honorary President & Treasurer, Quizzing Club

Delhi Public School, R.K. Puram

Jun 2024 – May 2026

New Delhi, India

- Managed finances and the sponsorship portfolio, securing \$20,000+ in sponsorships and prizes from PlayStation, Art of Problem Solving, Masters' Union, Taskade, and Crossword
- Won first place at Quizzonomics (ComAstiva 2024) and ComQuest (Arthashastra 2025); contributed to the school's Overall Rolling Trophy at Comonomics 3.0
- Offered the elected club presidency; named Honorary President instead, since school policy bars the sitting Student Council President from a second elected post

Member, Student Council (Class XI)

Delhi Public School, R.K. Puram

Apr 2024 – May 2025

New Delhi, India

- Appointed after applications and interviews; sworn into office by Ms. Namita Pradhan, former Assistant Director-General of the World Health Organisation and IAS officer (1977 batch)
- The role led to election as Student Council President the following year

Organiser, Daydream Delhi @ IIT Delhi

Hack Club

Oct 2025

New Delhi, India

- Organised a two-day game jam for high-schoolers at IIT Delhi, part of Hack Club's global Daydream event held simultaneously across 100 cities worldwide
- Featured workshops on Godot and Ren'Py, lightning talks, and a 48-hour game-building sprint, free of charge

Math Tutor, Bronze Level

schoolhouse.world

Jan 2025 – Present

Remote

- Provide free, peer-to-peer mathematics tutoring to students worldwide

Volunteer, Familial Forestry

Community reforestation movement recognized by the UN Land for Life Award

2021 – Present

New Delhi, India

- Recognised by Prof. ShyamSunder Jyani in 2024; working to open a school chapter

Core Member, Interact Club & Social Service League

Delhi Public School, R.K. Puram

2022 – 2026

New Delhi, India

- Contributed to community service and outreach projects through Rotary International's Interact Club and the school's student-organized Social Service League

PROJECTS

Limit Order Book & Matching Engine | C++20

2026

- Built a high-performance limit order book and exchange matching engine implementing price-time priority, FIFO order queues, limit and market orders, order cancellation, and partial and multi-level fills
- Designed strongly typed financial primitives for prices, quantities, order IDs, and sequencing; validated with 50+ unit tests covering matching, execution, cancellation, and edge cases
- Modular architecture with deterministic execution semantics, a clean CMake build system, and benchmark infrastructure for evaluating performance

mc_pricing – Monte Carlo Options Pricing Library | Python, GitHub

2026

- Independent project applying Monte Carlo simulation methods to price options contracts in Python

- Built as a technical portfolio piece ahead of quantitative trading recruiting

FinKid – Gamified Financial Literacy App | Concept & Prototype

2023 – 2024

- Duolingo-style app teaching personal finance to children aged 8 to 14 in India
- National Finalist, IIT Bombay Action Plan '23; advanced to the National Round of IIT Bombay's Eureka!; developed through the Eureka! Juniors entrepreneurship programme
- Pitched directly to Jared Friedman (Y Combinator) alongside TaxCity and Edunomix at Y Combinator Startup School India

AWARDS & HONORS

Felicitated by the President of India

Jan 2026

Rashtrapati Bhavan, New Delhi

SOAR Initiative, Government of India

- One of 17 students nationwide felicitated by President Droupadi Murmu for work on artificial intelligence and financial literacy
